### Situation

1. SCEPD continues to monitor and respond to formal assistance requests through our 24-hour State Warning Point and Duty Officer.
2. The FEMA Advisory #28 (situation report) as of September 25, 2001 for both the New York and Virginia (Pentagon) disasters is available at [www.iaem.com](http://www.iaem.com).
3. SCEPD offers the following references in reply to requests for information regarding:
  - a. Clearance of crop dusting, etc. aircraft:** On Sept. 25, effective 12:05 a.m. in each local time zone, all part 137 agricultural aviators are allowed to resume operations. However, all agricultural aircraft operators are urged to continue to check Federal Aviation Administration (FAA) NOTAMS (Notices to Airmen) regarding FAR Part 137 operations to determine the current status of authorized operations. The FAA website ([www.faa.gov](http://www.faa.gov)) can be used to obtain additional information.
  - b. Increasing the security of facilities:** The American Society for Industrial Security (ASIS) is an international organization for professionals responsible for security,

including managers and directors of security. ASIS specializes in increasing the effectiveness and productivity of security practices by developing educational programs and materials that address broad security concerns. Several local chapters of the ASIS exist in South Carolina. ASIS website can be found at <http://www.asisonline.org/>

**4.** The Department of Health and Environmental Control (DHEC) has issued a news release regarding smallpox or anthrax vaccines. A copy is enclosed. DHEC news releases are also available at [www.scdhec.net/news](http://www.scdhec.net/news).
