TRAINING GRAM

Course Announcement:

Local Situation Assessment (RAPID) (G250.7)

Dates/Times: August 11, 2010
1:00 P.M- 5:00 P.M

Location: SCEMD, Pine Ridge Armory, 2779 Fish Hatchery Road, West Columbia, SC 29172

Description: Communities can use the Resource Guide and Facilitator's Guide when developing their plan and procedures for rapidly and effectively collecting disaster intelligence immediately following a disaster. This intelligence is used to prioritize response activities, allocate available resources, and specifically request resources from other sources to save and sustain lives.

Target Audience: Local government emergency managers, city and county administrators, community planners, building inspectors, and public works directors.

Prerequisite: None

APPLICATION PROCEDURES: Course registration will open three months prior to the course date. To apply, go to www.scemdlms.org. Applicants selected to attend the course will be notified by email approximately four weeks prior to the course start date. You must respond to the course acceptance email in order to complete the enrollment process for the course. In order to insure receipt of all LMS correspondence, be sure your contact information, especially your email address, is current in LMS.

For information on training, registration, lodging and travel reimbursements go to www.scemd.org.
