

SCEMD

SCEMD TRAINING GRAM

Course Description

This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). The course expands upon information covered in ICS 100 through ICS 300.

Prerequisites:

IS 100 Introduction to the Incident Command System
IS 200 Basic Incident Command System
IS 700 An Introduction to the National Incident Management System
IS 800 An Introduction to the National Response Plan
ICS 300 Intermediate Incident Command

Target Audience

The target audience should include a balanced combination of personnel from local agencies including representatives from: fire services, law enforcement, emergency medical services/hospital, public health, and emergency management.

To Register go to: www.scemdlms.org

Please note: Reimbursement is not available for regional course deliveries.
