

**ANNEX 3**  
**Savannah River Site (SRS)**  
**HEALTH AND MEDICAL SUPPORT**

---

**I. INTRODUCTION**

- A. Medical and public health support during a NPP radiological incident may require the transportation of radiologically contaminated, injured individuals to medical support facilities.
- B. Letters of Agreement (LOA) have been obtained with a local, primary hospital having the capability to receive and care for most radiological incidents.

**II. PURPOSE**

To identify medical and public health support resources that may be required in the event of an incident at the SRS.

**III. CONCEPT OF OPERATIONS**

South Carolina Department of Public Health (SCDPH) is charged with coordinating local health department planning for radiological incidents at SRS. With regard to the provision of medical services for contaminated, injured individuals, SCDPH will:

- A. Coordinate the provision of emergency transportation for victims of radiological incidents.
- B. Coordinate the provision of emergency medical supplies and health services to the affected areas.
- C. Coordinate the participation of local primary and backup hospitals or medical facilities that have indicated their willingness and capability to provide emergency medical care to radiologically contaminated injured individuals.

**IV. ORGANIZATION AND ASSIGNMENT OF RESPONSIBILITIES**

See SCORERP, Basic Plan, Annex 5, paragraph IV

**V. MEDICAL FACILITIES**

A. The Doctors Hospital in Augusta, Georgia will serve as the primary hospital for the provision of medical care to persons who may have become contaminated/injured as a result of an incident at SRS (See Attachment A).

Doctors Hospital  
3651 Wheeler Road  
Augusta, GA 30909

RADIOLOGICAL CAPACITY: Ambulatory and non-ambulatory determined by census and staffing capabilities.

B. The Wellstar MCG Health Medical Center in Augusta, Georgia will serve as a backup hospital for the provision of medical care to persons who may have become contaminated/injured as a result of an incident at SRS (See Attachment B).

Wellstar MCG Health Medical Center  
1120 15<sup>th</sup> Street  
Augusta, GA 30912

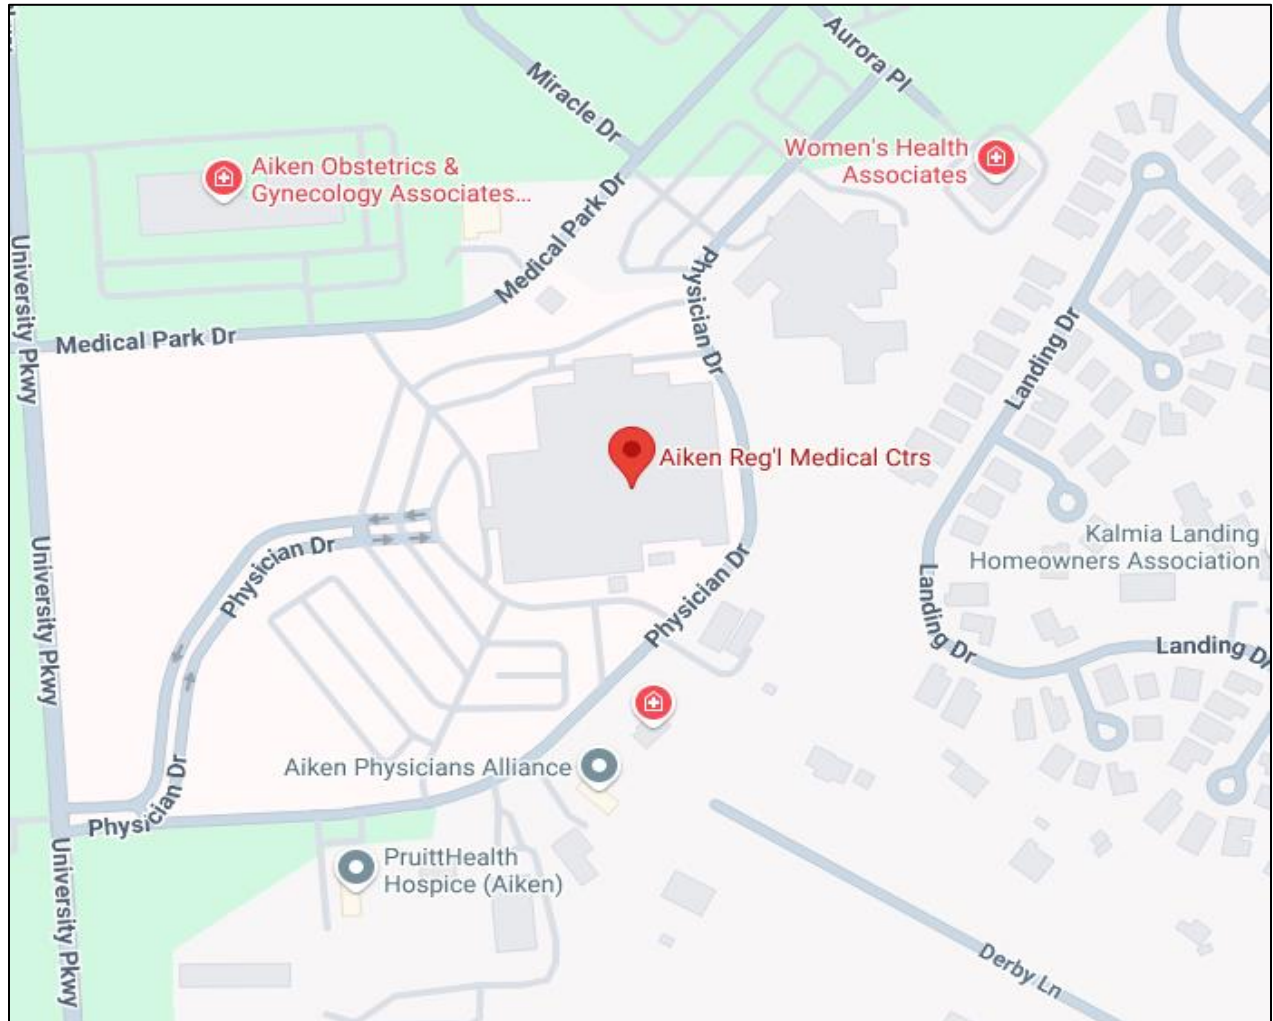

**RADIOLOGICAL CAPACITY:** Ambulatory and non-ambulatory determined by census and staffing capabilities.

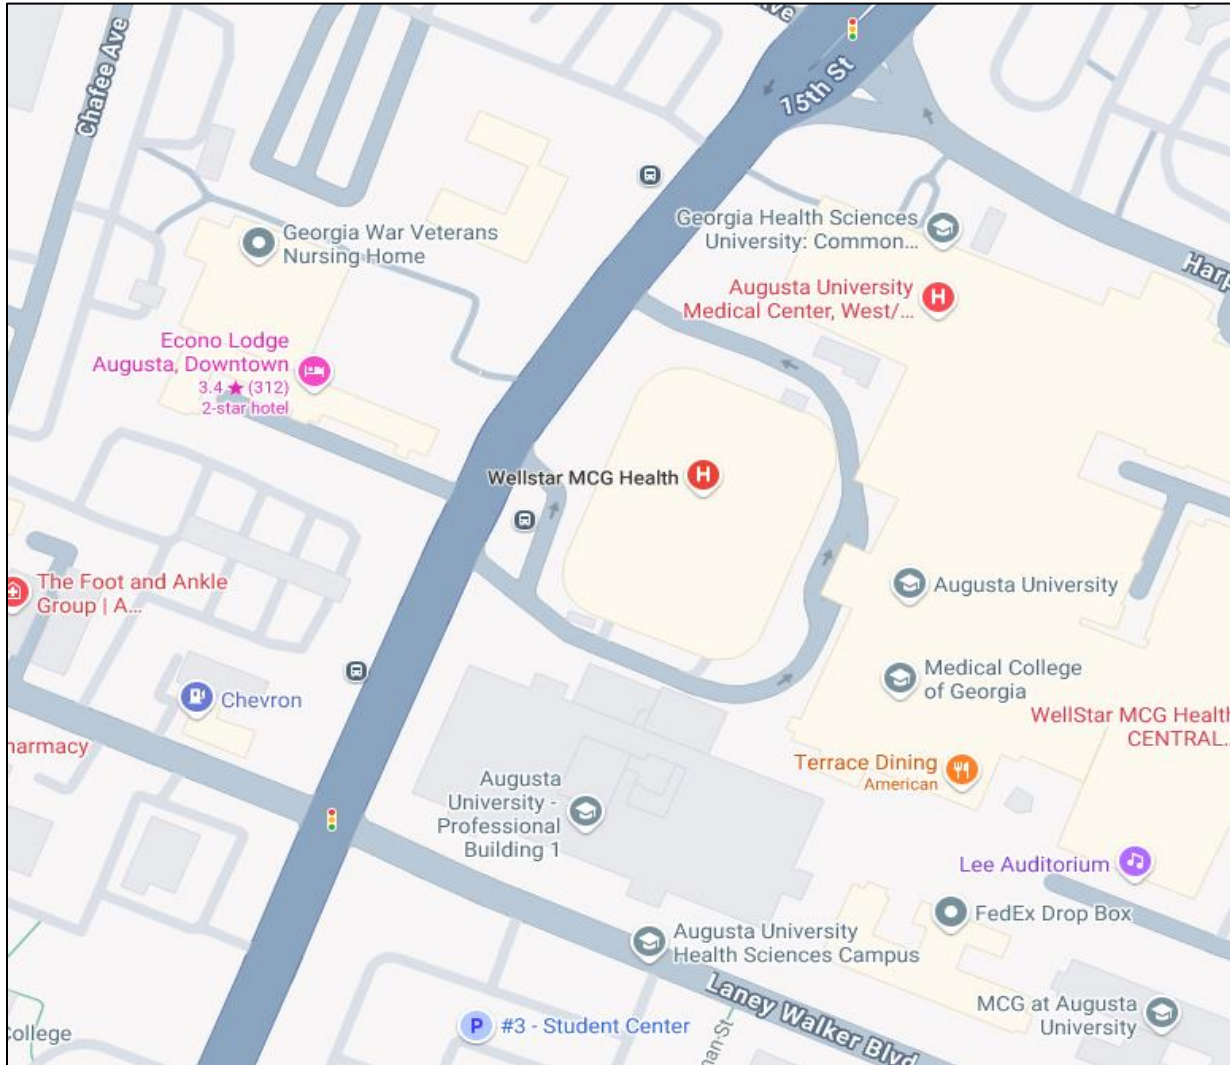

C. The Aiken Regional Medical Center in Aiken, South Carolina will serve as a backup hospital for the provision of medical care to persons who may have become contaminated/injured as a result of an incident at SRS (See Attachment C).

Aiken Regional Medical Centers  
302 University Pkwy  
Aiken, SC 29801

**RADIOLOGICAL CAPACITY:** Ambulatory and non-ambulatory determined by census and staffing capabilities.
