

ATTACHMENT 4 TO ANNEX 6

MEDICAL EQUIPMENT POWER SHELTER MANAGEMENT

I. GENERAL

- A. Medical Equipment Power Shelters (MEPS) are provided for citizens with medical equipment requiring an interrupted power source.

II. MEDICAL EQUIPMENT POWER SHELTERS

- A. See Annex 6 (Mass Care) for Lead and Support Agency roles and responsibilities for MEPS as well as general sheltering criteria.
- B. Opening of MEPSs
 - 1. The SC Department of Public Health (DPH) will open and operate Medical Equipment Power Shelters in coordination with ESF 6 (Mass Care) and local emergency management.
 - a. If possible and appropriate, available co-located sites should be opened first and prior to any “stand alone” facilities.
 - 2. For details on the opening of MEPSs in response to hurricanes, see Hurricane Plan Annex H (Hurricane Response Shelter Management), Section III.G.
- C. Closing of MEPSs
 - 1. A MEPS will not close until all shelter clients can return home or relocate to a suitable alternate location.
 - 2. DPH will coordinate the closing of MEPSs with local emergency management and with ESF-6 (Mass Care).
 - 3. For a co-located shelter, closing of a MEPS will be coordinated with local emergency managers, ESF-6 partners, and local and state DPH staff.
- D. DPH has pre-coordinated the following facilities for use as MEPS in support of the Emergency Operations Plan.
 - 1. These locations are subject to change with/without notice.
 - 2. Shelter locations and capacities will be maintained on Palmetto.
 - 3. As co-located facilities are identified, they will be added to the following list and be designated as a co-located facility.

Medical Equipment Power Shelters		
County	Facility Name	Capacity
Abbeville	Abbeville Area Medical Center 420 Thomson Circle Abbeville, SC 29620	5
